## CANADEM ELECTION OBSERVATION MISSION TO UKRAINE PRESIDENTIAL ELECTIONS, SECOND ROUND

The **mission's mandate** is to provide an assessment of the presidential electoral process. Mission Canada assesses Ukraine's compliance with OSCE commitments and other international standards for democratic elections, as well as national legislation.

### Observation Results

On E-Day, Mission Canada visited urban and rural polling stations (PS) during different reporting phases.

#### PS opened

■ On time (8:00) ■ Late

#### PS closed

■ On time (20:00) ■ Late

Mission Canada's observers were granted full cooperation in **99.7%** of polling stations.

In **98.6%** of polling stations visited, observers had a clear view of the counting procedures.

#### Observers rated the overall conduct of these processes as good/very good:

**21%** of DECs observed were overcrowded during the transfer of PEC results.

In the second round, Mission Canada visited **2366** polling stations in all oblasts of Ukraine, where voting took place.

#### Background to CANADEM Election Observation

CANADEM has participated in over 130 missions in more than 40 countries, playing a crucial role in strengthening the democratic process globally. It has mobilized nearly 2000 election observers to Ukraine for 11 elections since 2004. CANADEM EOM operates in accordance with the "Declaration of Principles for International Election Observation", adopted at the United Nations in 2005.
